

SPS Sedation Provider Course®

Release date: August 15, 2019

Expiration date: August 15, 2020

Estimated time to complete activity: 3 hours

Target Audience

This activity is intended for physicians, dentists, nurses, advance-practice nurses and hospitalists who have clinical experience in the area of pediatric sedation outside the operating room and who desire to enhance their knowledge and clinical competency in the field.

Educational Objectives

After completing this activity, the participant should be better able to:

1. Perform a pre-sedation risk assessment effectively;
2. Describe the effects of sedation on pediatric airway tone and respiratory physiology
3. Explain the principles of and interpret the information from pulse oximetry and capnography monitoring;
4. Diagnose and manage adverse airway and cardiopulmonary events during sedation;
5. Demonstrate knowledge of the pharmacology and uses of common sedative/analgesic drugs;
6. Describe effective teamwork dynamics and communications skills required by pediatric sedation teams; and
7. Develop a systematic and rational approach to pediatric sedation.

Joint Accreditation Statement

JOINTLY ACCREDITED PROVIDER™
INTERPROFESSIONAL CONTINUING EDUCATION

In support of improving patient care, this activity has been planned and implemented by the Postgraduate Institute for Medicine and The Society for Pediatric Sedation. Postgraduate Institute for Medicine is jointly accredited by the American Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Physician Continuing Medical Education

The Postgraduate Institute for Medicine designates this enduring material for a maximum of 3 *AMA PRA Category 1 Credit(s)*™.

Continuing Nursing Education

The maximum number of hours awarded for this Continuing Nursing Education activity is 3 contact hours. Designated for 1 contact hour of pharmacotherapy credit for Advance Practice Registered Nurses.

Disclosure of Conflicts of Interest

Postgraduate Institute for Medicine (PIM) requires instructors, planners, managers and other individuals who are in a position to control the content of this activity to disclose any real or apparent conflict of interest (COI) they may have as related to the content of this activity. All identified COI are thoroughly vetted and resolved according to PIM policy. PIM is committed to providing its learners with high quality CME activities and related materials that promote improvements or quality in healthcare and not a specific proprietary business interest of a commercial interest.

Faculty

The faculty members have nothing to disclose.

Planners and Managers

The PIM planners and managers have nothing to disclose. The Society for Pediatric Sedation planners and managers have nothing to disclose.

Method of Participation and Instructions for Credit

During the period of August 15, 2019, through August 15, 2020 participants must: 1) read the learning objectives and disclosures; 2) study the educational activity; and 3) complete the post-test with a score of 80% or better and the activity evaluation. Once you complete the online evaluation, your certificate will be made available immediately. Click on View Certificate and print the certificate for your records.
